copies of a detailed plan showing what the property would be used for and how it was laid out. Mr. Lauren Barrett explained the property to be 10 acres with two modular buildings on it now. He pointed out the plans for different phases of construction for the buildings and the parking lots. He stated there would be two parking lots in accordance with City of Clay regulations with one parking lot to have a maximum of 44 parking spaces on a pervious surface and one parking lot to have a maximum of 80 parking spaces on an impervious surface. Also, he explained the area nearest Old Springville Road would be used for field lines for the septic tank. He stated they would seek guidance from the City of Clay as to where to place a buffer along the northern section of the property.

Mr. Dick Chenaut, Walter Schoals Engineering, was introduced and spoke concerning the site design of the property. He stated his company would be doing the site design; there would be three drainage ways through the property; and they intended to create storm water detention with two detention ponds. He stated the detention ponds would meet the requirements of the City of Clay.

Mayor McGuffie called for anyone wishing to speak against this case and recognized Mr. Bill Whitson. Mr. Whitson introduced himself as living at 619 Brandy Drive. He stated he was not against this church but was concerned with water coming down Brandy Drive. He stated he had spoken with the Corps of Engineers who stated a buffer would create problems. He asks the City Council to consider his and surrounding neighbors properties to ensure proper drainage.

Mr. George Post was recognized and questioned the purpose of the hearing tonight. It was explained that the hearing tonight was to consider the applicants request for zoning this property.

Mayor McGuffie called for anyone to speak for or against this case and there was no response.

Mayor McGuffie called for questions or comments from the Council. Councilman Feemster made a motion to approve Zoning Case 2010-01 which was seconded by Councilwoman Hambrick and approved by a unanimous voice vote.

Mr. Joey Brittner, member North Clay Baptist Church, was recognized and stated the members of the church did not want to do anything to damage any property around them and wanted to assure everyone they would look at the drainage issues with the City of Clay.

Councilman Feemster stated there were some storm water issues and recommended working on pervious parking, rain gardens, and detention ponds to try and solve the drainage problems.

Under **Reports from Standing Committees** Mayor McGuffie recognized Councilman Feemster for a report from the **Public Safety Committee**. Councilman Feemster reported on the traffic light for Clay Palmerdale Road and Old Springville Road. He explained that the last report he received from Jefferson County was that they were waiting on their surveyor to tie down property lines for the right of way. Also, he reported the radar signs and Zero Tolerance signs were doing some good and people seemed to be slowing down. He stated if they did not do the job he may look at portable signs that could be moved around to different roads. Councilman Small asks Councilman Feemster how much the traffic light will cost the city for which he responded about \$40,000. Councilman Small stated he was asking in order to keep in mind for budget purposes.
