

LET'S TURN CLAY PINK!!!!!!

WEDNESDAY, OCTOBER 22, 2014

Clay, Trussville and Springville are in a Tri-city competition to see which city will be the PINKEST for Breast Cancer Awareness.

You may ask, what can I do to help spread the word about Breast Cancer Awareness and help Clay Win? Some suggestions are:

Businesses:

- Dress in PINK (purchase t-shirts or encourage 'PINK' attire)
- Dress your business in PINK! PINK Ribbons, PINK Bows, PINK Balloons, PINK promotional items
- Give out PINK Refreshments to your customers that day

Churches:

- Host your Wednesday night meal PINK
- Commit to prayer for all those who have fought or are battling this disease and in honor of those who have passed
- Place PINK ribbons on your sign, doors and mailbox
- Spread the word about this event to your congregation and encourage involvement

Community Member:

- Place PINK ribbons at the entrance of your subdivision
- Place PINK ribbons on your door and mailbox
- Contact neighbors to encourage PINK ribbons throughout your neighborhood
- WEAR PINK!!!
