The Council discussed the agenda items for the regular City Council meeting.

Mr. Dixon informed the Council that the garbage contract is close to an end and asked if they would like to extend the contract. He then brought the Council up to date on the parked 18 wheeler at the Deerfoot Parkway and Trussville Clay Road intersection as well as the speed and noise complaints in Paradise Valley stating that it seems to be more perception than reality as there were no incidents during the round the clock patrol in the area of complaints. The Council then discussed a youth soccer program.
