

# MAYOR ELECT ANDERTON'S NEWSLETTER

## UPDATES

I am diligently preparing for my new job as Mayor of Clay. I had several meetings this week with officials from several local cities: Mayors, Mayor Elects, City Clerks and Lawyers-many with decades of experience. I also attended the Mountain Brook City Council meeting to see how a successful city is doing things--very informative!

I took advantage of the opportunity to listen and learn at the Steeplechase HOA meeting. **If your neighborhood has a meeting you'd like me to attend, please send the invitation to [janderton@clayalabama.org](mailto:janderton@clayalabama.org).** I will sincerely try to put it on my calendar.

I also got to see the Clay Chalkville Cougars win another victory against Oxford last night. They are Regional Champs and will go on to play in the playoffs after next week's Thursday night game against local rival, Pinson.
