## UPDATES

No pictures this week, I keep forgetting! However, I have been busy this week meeting with local community leaders to continue to understand the scope of this job. I had **appointments with Miss Seay, Bryant Park's Principal, and Dr Dallas, Principal of CCHS.** I appreciate that they took time out of their busy schedules to inform me of all the good things going on in our local schools!

I also met the members of Trussville's Design Review Committee, including an introduction to Mayor Elect Ben Short, at their "most boring meeting ever"--their words, not mine! What a great way to define and regulate a cohesive city plan!

I also met with Battalion Chief Chris Horn to assure him of the city's continued support of the Centerpoint Fire District.

## DATES TO REMEMBER

**Oct 7: Town Hall for DYS property**

**Oct 14: City Council Meeting**

**Nov 3: Installment into office**

I will be accepting the Mayor's invitation to the incoming council to tour the DYS property on October 7<sup>th</sup>. I hope you are all planning to attend the Town Hall meeting later that day! Share your ideas about the future plans of our newly acquired property below!

**JANE ANDERTON**

**MAYOR ELECT OF CLAY, ALABAMA**

I am currently awaiting the arrival of documents I requested from City Hall 12 days ago. So far all I have received is the city calendar.
