Councilwoman Hambrick made a motion that the City make installment payments in order to provide the ClasTran service to the Seniors on a monthly basis per the usage set forth at \$429.47 per month for the next nine months or a total of \$3,865.26. Councilman Feemster seconded the motion and questioned a motion in a previous Council meeting whereby the Council approved \$500 to go to ClasTran. Councilwoman Hambrick verified that the \$500 was included in this \$3,865.26 total. The motion was approved by a unanimous voice vote.

Under Committee on Annexation, Business, Planning & Zoning and Schools, Councilwoman Johnson was recognized and called on Dr. Chris Walker to give a report on the schools. Dr. Walker gave a report for Chalkville Elementary; Clay Elementary; Clay Chalkville Middle School and Clay Chalkville High School. Also, Dr. Walker announced that the School Committee had met and adopted a vision statement and was preparing an administrative questionnaire. He stated the questionnaire will give the committee insight into the immediate needs our teachers would like to see addressed by the community. Dr. Walker announced that there were coupon books on sale at the schools.

Councilwoman Johnson made a motion that the City of Clay be the largest sponsor of the Clay May Days by donating \$5,000 to the Clay Area Chamber of Commerce as requested by the Chamber. Councilman Small seconded the motion which was approved by a unanimous voice vote.

Councilman Small was recognized for a report from the Committee on Building Inspections, Sanitation, Streets and Utilities. Councilman Small announced that he was working on identifying roads for the County to pave. Also, he stated that he was identifying roads for the city to pave this fall and there was a Resolution on tonight's agenda for paving some streets in the Chestnut Hills subdivision.

Councilman Webster was recognized for a report from the Parks and Recreation Committee. He stated that baseball and softball registration was going on at the ballpark and he had seen some new faces which means more teams playing.

Councilman Webster reported that Missy Fredrick, manager of the concession stands at the ball park, requested that the city purchase four picnic tables to go outside the concession stand at the ball park. Councilman Webster made a motion to purchase four picnic tables for the ballpark at \$3,170. Councilman Feemster seconded the motion with a stipulation that Missy check with the manufacturer and get a couple of recommendations from some current customers and, assuming the recommendations are favorable, that we move forward. Councilman Webster agreed and stated he would like for her to get some kind of warranty as well. The motion was approved by a unanimous voice vote.

Councilman Webster reported that some grass had been taken up or cut back on some of the ball fields in order for the city to hold tournaments. He stated infield material had to be replaced and stated he had quotes of \$6,500 from Pure Turf and Ground Maintenance Plus for \$9,350. He stated these quotes included removing six inches of top soil on one baseball field and two softball fields; installing five inches of infield mix and one inch of safecoat to match existing playing surface and removing and relocating all sprinkler heads and supply lines. Councilman Webster made a motion that Pure Turf proceed with this work for \$6,500 because a softball tournament will start in four weeks and time is short. Mayor McGuffie stated he would check passed Ordinances to be sure there is no conflict and, if there is, the action will be null and void. Councilman Small asks what funds this would be paid from and Councilman Webster responded out of the Park Fund. Councilman Small seconded the motion which was approved by a unanimous voice vote.
