

CITY OF CLAY NEWSLETTER

Busy, busy, busy! Last week I told you I'd be laying some groundwork and building new relationships with others in and around the city, and my week has been full of doing just that!

On **Tuesday**, I started off by meeting with some local pastors. I did a podcast with Gary Lloyd. Look for the link on my FB page sometime next week.

Wednesday I had the opportunity to meet with some of our local Sheriff Department's Officers and tour the 911 facility.

I also attended the Jefferson County Strategic Plan meeting at Shades Valley High School. They will be offering more of those town meetings around the county. **If you are interested in our local schools' future, this is an opportunity to make your opinion known.**

Thursday morning I spoke on a radio show on 99.5 with the Mayor Elects of Homewood and Mountain Brook (link is in description), followed by the open house at Clay Elementary.
